Over 40 guests: members, supporters and friends of both organisations came together for a truly marvelous afternoon which raised £1,300 through a donation from the ticket sales, the raffle and an online auction arranged by Jumblebee.

Lorna Votier, Development Director of The Victoria Foundation said, 'I would like to say a huge thank to all those who organised, attended and donated prizes for the very successful Royal Afternoon Tea at the beautiful Richmond Gate Hotel. The event raised the fantastic sum of £1,300 which will help to find a mobility aid for a disabled child in the local area. We were delighted to arrange the event in partnership with Athena Richmond. Events like these are so important to the charity.'
