VIEWS of The Star and Garter & its setting

A commissioned art exhibition of 50 new works of art to celebrate the restoration of The Star and Garter by London Square. The stunning collection of original art will include iconic views of the Thames as immortalised by Turner. The full exhibition will take place in March 2017 along with the publication of a book showcasing the works of art. All of the works of art in the exhibition will be for sale and art on display before then can be reserved.

VIEWS is sponsored by London Square and co-ordinated by the Asgill House Trust. The Victoria Foundation, a medical charity based in Richmond, is arranging the exhibition and the publication of the accompanying book. The charity will receive a donation from the sale of the art and book, which will fund medical support for the elderly in need in the Richmond area.
