

TVF's Vietnam Trekking & Cycling Challenges 2018 raise £40,000!

Graham Ball, Founder and CEO of the charity, took part in The Vietnam Trekking and Cycling Challenge with a team of 19 supporters from 6th – 11th November. The teams cycled or trekked for 6-8 hours a day for six days in Northern Vietnam to raise vital funds so that the charity can continue to provide medical support and equipment to those in need in the local and wider community.

A huge thank you goes to all the fantastic team members who personally covered the cost of the challenge, for their donations and to all those who so generously sponsored them. £40,000 has been raised and will help to provide mobility aids for children, toolkit grants for medical students from disadvantaged backgrounds, an accessible minibus providing transport for the elderly to ensure they are not isolated through the work of TVF. In addition, TVF will be forwarding funds to the following charities close to the hearts of challengers including; Alzheimer's Society, Doctors Without Borders, Macmillan Cancer Support – Macmillan Nurses, Mind – Young People, and the Phyllis Tuckwell Hospice.
