

## TVF supporters take part in the Kingston Rotary Club Dragon Boat Challenge 22nd July 2018

On Sunday 22<sup>nd</sup> July, Graham Ball, Founder and CEO of TVF, and supporters of the charity took part in the Kingston Rotary Club Dragon Boat Challenge. They raised over £1,300 to fund much needed accessible transport for the elderly in the local community which will help combat loneliness and isolation.

It was a fabulous day with 54 boats competing – some tough competition! Most of the team members were novices so there was a steep learning curve! The team led by Koo, as the drummer, performed fantastically with tremendous enthusiasm and competed in three heats of 250m during the day.

Graham Ball, Founder and CEO of TVF said, *“It was a superb event and we were delighted to have taken part. I would like to thank all our supporters for their determination and their wonderful friends and families who sponsored them so generously.”*
