

The Victoria Foundation Winter Ball on 8th December 2018 raises £43,500

The Victoria Foundation Winter Ball on 8th December at Twickenham Stadium was a sell out and greatly supported once again. Guests enjoyed a champagne reception in the President's Suite, Members Lounge, and Royal Box overlooking the floodlit pitch at Twickenham Stadium before a Gala Dinner, Auction and Dancing in the Spirit of Rugby.

A massive thank you goes to all those who so generously donated prizes and attended the event where £43,500 was raised which will help to transform so many more lives by helping children and young people gain independence and reach their potential through the work of the TVF and our beneficiary partners for the evening - Strathmore School and Crossroads Care Richmond & Kingston.
